FRIENDS OF CAMP MANITOU PRESENTS

GLAMP

FOR THE

CAMP

BECOME A SPONSOR

glamp•ing:
A combination of
glamour and camping.

We're hosting a Glamp for the Camp event in support of Camp Manitou!

Camp Manitou has an 85-year history providing at-risk children and youth with a safe, healthy and exciting and educational camp experience.

Research confirms that summer camp experience for young people accounted for significant positive growth in:

-
- Attitude towards physical activity
-
- Self-esteem and self-confidence
-
- Emotional intelligence
-
- Social interaction and citizenship
-
- Environmental awareness
-
- Transfer of learning to home and school
-

According to the Manitoba Camping Association, only 10% of youth have the opportunity to take part in an outdoor educational experience. We want to provide a place where more children can discover the wonders of camp.

The camp experience is recognized by child development professionals as valuable in helping children mature socially, emotionally, intellectually, morally and physically.

We need your help.

FRIENDS OF CAMP MANITOU SPONSORSHIP PROGRAM

KEN HILDAHL

1950-2011

We would like to recognize the efforts of Ken Hildahl to save Camp Manitou when the camp needed a hero. A kind man and devoted husband and father, he put the needs of others before his own. His legacy is the community projects he supported, from Camp Manitou to the new home of the Winnipeg Blue Bombers at Investors Group Field.

“Ken was the quintessential Winnipegger in that he had an enormous passion for the community and he showed that passion in quiet but effective ways. He was one of those guys that worked tirelessly behind the scenes to make this a better place to live and had an impact on a number of fronts in this province.”
