## Camp Manitou

The Foundation has been making a significant investment in upgrades to our facilities in an effort to enhance the outdoor experience at Camp Manitou. Exciting capital improvements to the facility have resulted in a new zip line, upgraded archery range, bouldering wall and climbing wall which be available for our 2016 summer campers.

The Winnipeg Jets Hockey Academy (WJHA) is a play-based program designed to increase school attendance as well as high school graduation rates in socially and economically challenged schools in Winnipeg.

At Camp Manitou, camp and outdoor programming are delivered with the goal of providing accessible, meaningful, outdoor camp experiences to Manitoba children, youth and community groups.

Project 11 is a curricular support resource document for grades 5-8 on the topic of Positive Mental Health. Project 11 is an optional opportunity for educators in the province of Manitoba to begin the conversation around Positive Mental skills.
